

DESIGNER DA-TAB ELECTROL®

Tensioned Electric Wall Screen that Blends with any Decor

- Good looking projection solution for any room using video or data projection.
- Same great features as our Designer Electrol except screen is tensioned for an extra flat surface for optimum image quality when using video projection.
- Choose from six contemporary and traditional case designs. All covered in your choice of seven real wood veneers (except the Cambridge, which is available in your choice of three laminates). See page 127.
- Custom finishes available upon request.

All fabrics will be seamless.

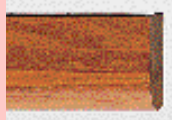

Optional remote control operation.
