Green AV Initiative

AVI-SPL is proud to be an active member of the U.S. Green Building Council (USGBC). By following LEED standards, organizations can drastically reduce costs, save energy and generate carbon credits. AVI-SPL cares about environmental sustainability, and we consistently collaborate with our manufacturers, consultants and associations to ensure that our customers benefit from our efforts.

AVI-SPL is leading the charge in the industry by implementing the following sustainability initiatives as part of our overall program:

- » Equipment & Lamp Recycling Programs
- » LEED Accredited Professionals
- » Internal Sustainability Programs
- » Video Conferencing Solutions
